

2209H026

8. For the June quarter Reliance Petroleum Ltd has overshoot its budget by 1,390 crore for setting up the Greenfield refinery at Jamnagar. The refinery project is expected to be completed ahead of the December deadline. It has achieved 94 per cent overall progress in implementing the project, the company said in a BSE statement. Reliance Petroleum is setting up the export oriented refinery, with a capacity to process 580,000 barrels a day of crude. It is also setting up a 900,000 tonnes a year polypropylene plant. Reliance Petroleum in the statement said, "As on June 30, the company has utilised 25,515 crore for the project against a projected utilisation of funds of 24,125 crore. The variation is mainly due to payments in advance under project contracts for continued efficient and speedy implementation of the project." The company added that the project engineering, procurement and contracting activities have been completed for the refinery.

Pre-commissioning Activities: Construction activities are progressing rapidly to meet pre-commissioning requirements. Planning for project start-up is completed. The statement said the pre-commissioning activities are proceeding at a fast pace with necessary infrastructure facilities already under commissioning. The company has mobilised sufficient resources to sustain pre-commissioning and commissioning activities on fast track. The quarter witnessed close-out of procurement and contracting activities for equipment and bulk materials. Deliveries of equipment are nearly complete. Deliveries of bulk materials, including pipes, fittings, electrical and instrumentation bulks matched the pace of equipment deliveries and their installation at site. Focus has now shifted towards achieving a rapid close-out on this front, the statement added.

Questions:

1. Study and analyze the case.
2. Write down the case facts.
3. What do you infer from it?

2209H026

PG Diploma Public Health
Subject: Project Management in Public Health
Subject Code: IDGE-001
Semester: Second
Session: - September 2022
Theory (External): 70 Marks
Time: 03 Hours

Instructions to the Students

1. This Question paper consists of two Sections. All sections are compulsory.
2. Section A comprises 10 questions of objective type in nature. All questions are compulsory. Each question carries 02 marks.
3. Section B comprises 8 essay type questions out of which students need to do any 5. Each question carries 10 marks.
4. Read the questions carefully and write the answers in the answer sheets provided.
5. Do not write anything on the question paper.
6. Wherever necessary, the diagram drawn should be neat and properly labelled

Roll Number

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

SECTION –A (SHORT/OBJECTIVE TYPE QUESTIONS)
(10x2 = 20 Marks)

- A. How the project leader is different from the project manager?
- B. Give the meaning of risk analysis
- C. What is CPM?
- D. Illustrate the meaning of work breakdown structure (WBS).
- E. What are the objectives of project in public health
- F. What is meant by a Project Management
- G. State the essentials of conducting feasibility studies.
- H. Mention the criteria for project selection.
- I. When is pay-back method suitable in appraising the profitability of a project?
- J. Examine the two essential functions of a project report

SECTION –B (ESSAY TYPE QUESTIONS)
(5*10=50 Marks)

1. Define Project management. Explain in detail objectives of Project management. Explain Stages of Project Management.
2. Explain in detail the classification of project with example.
